- **GLOBALISED SPACES**

Attendance to lecture is compulsory. Up to 30% of classes can be missed. Up to 50% for students who have been recognised the status of 'working student'

CONTENUTI DEL CORSO

▪ **POLITICAL AND ECONOMIC ORGANISATION OF SPACE**

Globalization as a material phenomenon and as a political project, the new global interconnections, globalization and the creation of new tensions and divisions as well as new forms of integrations.

▪ **GLOBALISED SPACES**

Particular emphasis is given to the analysis of the relationship between cities and globalization. The module tackles questions regarding cities considered both as actor of globalization and places where globalization takes place
